

CHEMICAL GRADE PLANT 3 FIRE INCIDENT

IGO Limited (ASX: IGO) ("IGO") advises that a fire occurred at the Chemical Grade Plant 3 (CGP3) facility at the Greenbushes lithium operation¹ on 9 June 2026. The fire was extinguished and no injuries were sustained.

Talison Lithium has commenced a full investigation of the cause and damage from the incident. An assessment of the impacts and required repairs will also be completed.

CGP1 and CGP2 operations are unaffected. Greenbushes production remains on track to meet IGO's FY2026 guidance (1,375-1,425kt spodumene concentrate).

IGO will provide a further update when appropriate.
